

The logo for 'win' is displayed in white against a dark blue background. It features a stylized, italicized 'w' followed by the letters 'i' and 'n' in a lowercase, sans-serif font.

***The Leading
Lube Oil Blending Plant
in Indonesia***

PT. Baria Tradinco (BARIA) is committed to being the leading independent manufacturer of high quality, specialized grease, lubricating oils and other specialty related lubricants.

Our commitment also extends to providing good value in personalized customer service and technical solutions to each of the markets in which it operates.

Established in 2002 and located on Delta Silicon Industrial Estate, Cikarang-Bekasi, West Java, Indonesia. The plant was completed in year 2003 with a capacity of 20,000 metric tons per annum. BARIA has developed a comprehensive range of high quality lubricants and specialty products.

PRODUCTS

High Quality Products At All Times

BARIA is constantly evolving and investing to meet the competitive demands of modern industry. Our specialty lubricants are used throughout the automotive, industrial, marine, mining and agricultural sectors.

OIL PRODUCTS

- ▶ FORMULA DIESEL HD
- ▶ POWER DIESEL HD
- ▶ FORMULA MOTOR OIL
- ▶ POWER MOTOR OIL
- ▶ FORMULA GEAR OIL
- ▶ PREMIUM INDUSTRIAL GEAR OIL RG
- ▶ HYDRAULIC OIL
- ▶ HYDRAULIC ZF OIL
- ▶ CUTTING APX
- ▶ HEAT TRANSFER OIL
- ▶ TRANSFORMER OIL
- ▶ REFRIGERATOR OIL
- ▶ TURBINE OIL
- ▶ COMPRESSOR OIL R
- ▶ WHITE OIL
- ▶ MARINE DIESEL ENGINE OIL
- ▶ POWER OB NMMA TCW II

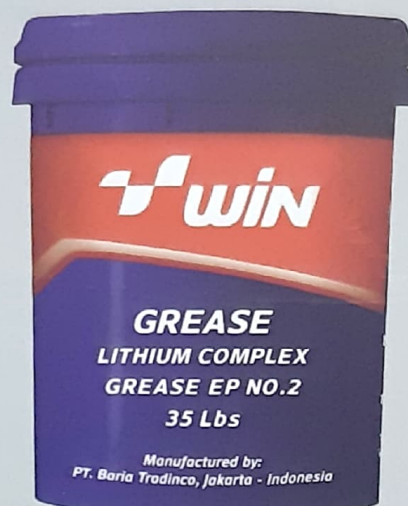

GREASE PRODUCTS

LITHIUM COMPLEX EP GREASE NO.2

Product Benefit:

- ▶ Excellent extreme pressure properties
- ▶ Long operational life at high temperature
- ▶ High dropping point
- ▶ Reduces bearing wears
- ▶ Provides strong lubrication film strength

PREMIUM CALCIUM MP GREASE NO.3

Product Benefit:

- ▶ Excellent water repelling properties
- ▶ Smooth texture with excellent adhesiveness
- ▶ Resists oil-soap separation
- ▶ Minimizes dripping and spattering
- ▶ Eliminates bearing noise and reduces bearing wears
