## Scope of supply:

Trading :

- Mechanical products : Roller Grinding Mill & Belt Conveyor

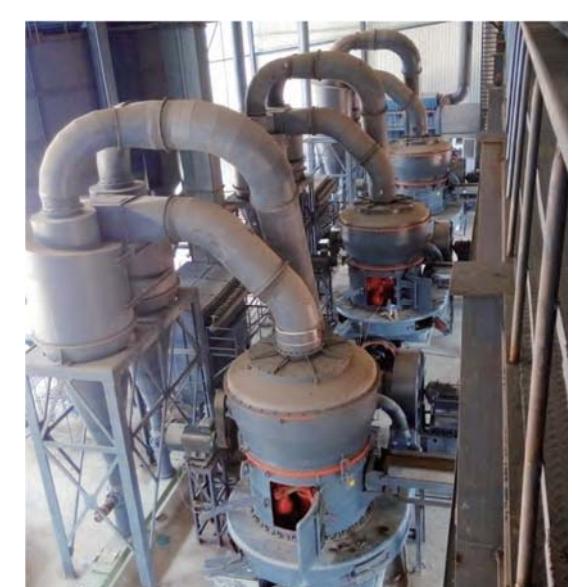

1—颚破 Jaw Crusher  
2—斗式提升机 Bucket Elevator  
3—料仓 Stock Bin  
4—电磁振动给料机 Electro-vibrating Feeder  
5—选粉机 Classifier  
6—管道 Pipeline  
7—旋风集粉器 Whirlwind Powder Collector  
8—风机 Fan  
9—布袋除尘器 Bag-type Dust Collector

**主要结构：**  
B6X系列带式输送机  
典型整机结构如右图  
**Typical Construction:**  
1—料槽： Feed channels  
2—支腿： Supporting rocks  
3—机尾架总成： Middle frame assembly  
4—扶梯： Ladder  
5—中间架总成： Middle frame assembly  
6—维修走道： Service access  
7—支腿： Supporting rocks  
8—中间架总成： Middle frame assembly  
9—上销轴： Upper pin roll  
10—下销轴： Lower pin roll  
11—底座： Base  
12—头架总成： Head frame assembly  
13—支腿： Supporting rocks  
14—滑块： Sliding block  
15—驱动装置： Driving device  
16—头部漏斗： Head hopper

## MTW European Trapezium Grinding Mill

MTW European Grinding Mill is innovatively designed through deep research on grinding mills and development experience. It absorbs the latest European powder grinding technology and concept, and combines the suggestions of 9158 customers on grinding mills. This grinding mill perfectly satisfies the production demands of the customers on 200-33 $\mu$ m (80-425Mesh) fine powder.

Industrial Tools and Engineering Services

## Scope of supply:

Trading :

- Mechanical products : Robotic Arm Palletizer, Timing belt, Shaft coupling & Custom Engineering Chain

## Scope of supply:

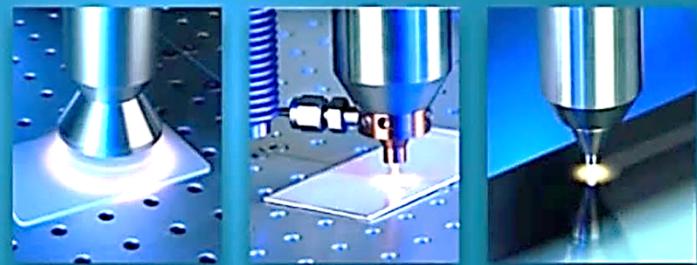

Trading :

- Electrical products : sensor, breaker, switch, contactor etc.
- Spare parts : Plasma treat, Vacuum Pad, Teflon, Polyurethane sheet

You may have heard of plasma treatment...

- ✓ Increase Production Speed
- ✓ Improve Quality
- ✓ Lower Material Cost

PT. DUA SAHABAT NUSANTARA  
Industrial Tools and Engineering Services

## Scope of supply:

Maintenance – Repair - Automation :

- Electronic parts : PLC programming , Inverter, touch screen
- HVAC & Pump
- IT Hardware, networking and software
- Electric motor rewinding & recondition
- Machinery upgrading dan modification
- System Integrator
- Hydraulic system

## Workshop:

### CNC Milling Machine

Doosan 5700 CNC Machine

### CNC Milling Machine

### Lathe Machine

### Wire Cut Machine

## Our Customer:

PT. Takata Safety System Indonesia (Automotive)  
- Access Control Power Supply Board

PT. Unilever Skin Care  
- High Pressure Cleaner machine

PT. Asake Machinery Indonesia  
- PLC & Control Panel  
- Printing label machine  
- Control Box & Panel  
- Name plate Acrylic & Stainless  
- Electrical spareparts

### PT. HONDA PRECISION PART MANUFACTURING

- Flexi Line Conveyor Maintenance (Annual Maintenance)
- MCVT Line Conveyor Maintenance (Annual Maintenance)
- Plasma Cleaning Washing Machine Maintenance (Annual maintenance)
- Production Line Monitoring System
- Plasma machine modification
- Bonding machine modification
- Plasmatreat Machine Spare parts
- Bearing Press machine modification
- Gear Press machine modification
- Main Pallet/Jig Modification
- Upgrade Hydraulic & Sensor Mesin Press (9 Mesin Press)
- Base Jig QA Tester
- Portable Plasma Washing Machine with 6-Axis Robot
- High Pressure Washing Machine for Alumunium Casting
- QA Check Valve Machine
- Mesin Stator Flange Insert

PT. TS TECH INDONESIA

PT. TS TECH INDONESIA  
- Explosion Proof Lighting  
- Pokayoke Jig Pad Nut Runner cushion Machine  
- Safety Plug & Safety Area system
