

# Esorbgel

## Effective—Lowers The Relative Humidity

- ▶ Protects against moisture damage
- ▶ Prevents condensation
- ▶ Environmentally friendly

### Easy to install

1. Remove from sealed package
2. Once removed from sealed package the Esorbgel will be immediately activated

Esorbgel is a calcium chloride based desiccant to protect cargo from condensation and moisture related damages such as mold, fungus and rust. The Esorbgel is available as a standard version and a version with cardboard.

The Esorbgel can be used for any type of cargo that allows at least 25 mm space between the cargo and the desiccant. The absorbent material is calcium chloride based mixed with a gelling agent to prevent liquid water. This prevents leakage. All materials are non-toxic and environmentally friendly.

## Advantages

- Calcium chloride based
- Gelling agent to prevent leakage
- DMF free
- Environmentally friendly
- Non-toxic material, it can be disposed with regular waste

## Applications

- Furniture and handicraft items
- Agricultural products
- Textiles and garments
- Wood and paper products
- Consumer products

## Storage and Handling

Esorbgel desiccants are packed in transparent airtight polyethylene (PE) bags. After opening the protective PE bag, the Esorbgel will start absorbing moisture from the surrounding air. To ensure the best possible performance follow the storage and handling instructions you receive with your purchase of Esorbgel.

## Technical Specification

**Absorbing material:** Calcium chloride with gelling agent

**Net weight:** 1 kg

**Dimensions:**

**Esorbgel:** 850 mm x 150 mm x 25 mm.

**Esorbgel Cardboard:** 850 mm x 150 mm x 30 mm

**Packaging material:** Non-woven

Absortech exclusively focuses on products and services that help our customers avoid moisture damage. Since 1991, we have developed a range of products and offer innovative technology for moisture protection in containers. We maintain control end to end in the chain from product development, manufacturing and delivery of the right product at the right place.
