4. Engineering, Construction and Contracting
5. Heavy Equipment
6. Information Technology

Office Locations : Indonesia, Singapore, USA.

Mitsubishi Forklift Trucks

MITSUBISHI

Mitsubishi Forklift Trucks has developed a range of trucks that combine high specifications and performance with competitive prices to deliver outstanding value for money.

But that's not all. Mitsubishi understands both the daily and the longer-term materials handling challenges of its customers, so it places reliability and product support high on its list of priorities.

Mitsubishi trucks have an unbeatable reputation for dependability - the result of exceptional design and exceptional build quality. Keeping them in peak condition and maintaining their productivity is equally important - so every truck is supported by an international network of carefully selected and fully trained local dealers.

That's what makes a Mitsubishi truck such a great investment.

Lithium Forklift Trucks

Founded in 1995 as a battery manufacturer, BYD set out to design the most efficient and powerful batteries on the market, now BYD innovate cars, buses, and material handling. BYD forklifts and trucks equipped with high capacity lithium iron-phosphate battery and high efficiency charger, which ensures the strongest endurance and adapt to the most complex working conditions. It saves 90% charging time compared with lead-acid forklift with extremely long run times, zero battery maintenance and 5 year /10.000 hour battery warranty which over occurs first.

BYD Battery Never needs watering or equalizing and comes

BYD charger allowing for overnight charging without higher-voltage wiring.

BYD forklifts is reliable with new technology and easy access spareparts

Heavy Forklift Four Wheel
Capacity: 4.000 - 8.000 kg

Forklift Three Wheel and Four Wheel
Capacity: 1.600 - 3.500 kg

Reach Trucks Stand and Sit-on
Capacity: 1.500 - 1.600 kg

Stacker Trucks
Capacity: 1.400 kg

Pallet Trucks
Capacity: 2.000 kg

Towing Trucks
Capacity: 3.000 - 25.000 kg

Noblelift Counter Balance Forklift

NOBLELIFT

Noblelift is a Chinese leading manufacture service provider for material handling equipment and logistics solutions. We are the largest manufacturer for handpallet trucks and class 1/2/3 forklift globally for more than 13 years, Noblift is dedicated to be the leading manufacturer and solution provider for material handling business worldwide.
