Subject : Authorized Reseller (Indonesia)

Appointment as Authorized Reseller

Dear Honorary Sirs/Mdm,

Hydranautics, is a fully owned subsidiary of Nitto Group, hereby appoints **PT. Hydromart Utama Indonesia** as our authorized reseller in Indonesia for a period of 24 months from 1st of November 2017 and ends of 30th of October 2019.

We affirmed our support to continue to supply both Seawater and Brackish RO membrane. Please be assured that Hydranautics will give our full support in technical & commercial to the above mentioned company and their customers.

Hydranautics membranes are made in both our USA factory in Oceanside and Japan factory in Shiga. On the membrane box it will be clearly mark the manufacturing location.

All 8 inch Hydranautics RO membranes are wet tested in the factory. Both Salt Rejection and Productivity of the membrane test report will be given upon request.

Let us know if you have any further questions. Always at your services, we remain

Liang Junwen
