ABOUT US

CV MUSTIKA BARAJA JAYA is a company that was founded in 2021, which focuses on engaging in the contracting sector and mechanical electrical supply as well as implementation in the fields of hydraulic and lubrication equipment in the heavy equipment, mining, shipping, agriculture and plantation industries.

With extensive knowledge and experience in the field and supported by technological capabilities and international expert workforce partners, we are involved in:

- supply and installation of hydraulic and lubrication systems on heavy equipment and mobile equipment
- engineering consulting and help solve problems arising from hydraulic and lubrication systems of all kinds of equipment
- Oil cleaning and chemical cleaning services for hydraulic installations and lubrication systems
- Hose assembly or crimping services for hydraulic hoses
- Repair and fabrication part for industrial equipment

VALUES

MUSTIKA BARAJA JAYA values the value of each customer and understands that every customer needs a solution not only to provide the best price, but also supported by friendly service and ready to provide the best for your needs

VISION

Maintaining and strengthening the company position as the leader of the domestic market in oil and gas, industrial parts and equipment

MISSION

Being the best partner in providing solution for the customer
