

## COMPANY PROFILE

KotaMinyak means the City of Oil and is derived from the nickname of Balikpapan. It is the largest city in East Kalimantan, Indonesia where we first started the company in 1990. Over the years, we have evolved to be one of the largest supply and services companies in Indonesia. We represent tried and tested capabilities in supplying oil and gas equipment, engineering packages, and specialized services. KotaMinyak consists of branches, subsidiaries, and affiliated companies interconnecting and partnering to form a solid alliance. Each of the entities signifies a specific and unique offering to serve our clients.
