ABOUT US

Established in 2005, PT PRIMA UNTUNG BERSAMA started with a vision to be a market leader in Power Transmission to serve Industrial and Mining needs for Indonesia. Starting from simple distribution store, now we are Sole Distributor for the whole Indonesia area and the South East Asia for companies that are the best in their fields.

Our commitment is to develop long lasting relationships with our partners and share our beliefs to deliver the best quality products and services to our customers in the right time and the right price with the right team.

Our customer come from a wide range of industry such as, Food and Beverages, Chemical, Feed & Fertilizer, Tobacco, Mining & Exploration, Pulp and Paper, Ceramic & Tile, Steel Industry, Cement, Utilities, Building Material, Oil Processing and Gases Industry.
