Mr ICHSAN HIDAJAT SH
CHAIRMAN - LIBRATAMA GROUP

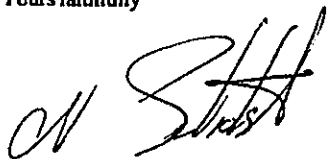

It is with great pleasure that I confirm your continued appointment as the Indonesian Master Distributor for the PEERLESS EPIGEN & PROLONG range of products. Your groups existing achievements and ability in providing your market place, and the Indonesian industry with the highest levels of service, equalled by very few, in a manner that maintains high principles and ethics, has been paramount in this company's decision to continue this appointment.

This ongoing appointment as Master Distributor for the EPIGEN & PROLONG Products is made to fulfil several roles. The first is to continue to appoint or arrange a distribution network within Indonesia and the second is to ensure that EPIGEN & PROLONG is available in the market either through your appointed distributor or your own company. No boundaries within Indonesia have been set nor is it anticipated that they should. All imports of EPIGEN & PROLONG products are to be via PT Agape Trikarσα Libratama.

I look forward to our continued joint prosperity and development of further business in the future both in local markets and those abroad.

Should any person require further confirmation of this letter they may contact me with specific detail as required.

Yours faithfully
