**Ref: Appointment of PT. Prima Sarana Teknik as Rossi Gearmotors South East Asia distributor for Indonesia.**

Dear Sir,

Rossi Group is a subsidiary of Habasit Group, headquarter based in Modena, Italy and has 5 manufacturing facilities all based in Italy. Rossi Group is also boosted with the widest range of products with 18 product catalogues to suit different needs.

Rossi Group has setup Rossi Gearmotors South East Asia Sdn Bhd, headquater based in Shah Alam, Malaysia, and will be the enginnering, sale and support center for the South East Asia market. Rossi's main products are gear reducer and gearmotors, including bevel helical, helical, planetary, worm, in-line and shaft mounted. Rossi has introduced new range of bevel helical gear reducer up to 1,700 kNm weights 40,000 kgs and planetary gear up to 3,000 kNm weights 9,500 kgs.

The main market foruses for Rossi Gearmotors South East Asia Sdn Bhd are the palm oil industry, mining, and other infrastructure industries. We are aware that PT Prima Sarana Teknik is specialized in engineering, fabrication, construction and turnkey project consultation in Indonesia and Rossi Gearmotors South East Asia sees PT Prima Sarana Teknik as a strategic partner to expand the market in Indonesia. We would like to appoint your company as Rossi Gearmotors South East Asia Sdn Bhd's distributor and we believed that our partnership will flourish and open up more opportunity for mutual benefit.

Thank you for your time and coorporation on the matter. Should you need further information, please do not hesitate to contact us.

Regards,

Benjamin Quah
