ABOUT US

Selama lebih dari 30thn, PT. Elfrida Plastik Industri terus berkembang menjadi perusahaan kemasan terkemuka.

Saat ini kami memproduksi beragam plastik Polyethylene tiga lapis untuk memenuhi kriteria pelanggan dari jenis LLDPE, HDPE atau LDPE.

Berbagai varian PP juga dapat diproduksi dengan menggunakan sistem Blown Film.

Dengan menggunakan sistem Rotogravure Printing berikut Color Con otomatis semua jenis plastik yang kami produksi dan juga, CPP, LDPE Shrink dapat dicetak sesuai kebutuhan.

For over thirty years, PT. Elfrida Plastik Industri have been expanding from a humble beginning to current position - a well reputed packaging company.

Today we produce mono, double and three layers co extruded Polyethylene range from LLDPE (Linear Low Density Polyethylene), HDPE (High Density Polyethylene), LDPE (Low Density Polyethylene).

A wide range of PP (Polypropylene) film also can be made using blown film method.

All of our film can be printed using 8 colour rotogravure machine equipped with Automatic colour control. CPP (Cast Polypropylene), Shrink LDPE also can be printed and converted.

HOW WE DO

Memproduksi plastik yang bermutu melibatkan proses yang mendetail dan kompleks, kerjasama dan koordinasi staff yang berkompeten sangat diperlukan.

Sejak perencanaan awal, rencana produksi dan pada seluruh tahap produksi, kami mencurahkan upaya untuk menghasilkan kualitas produk dan pelayanan yang lebih dari yang diharapkan.

Kontrol kualitas yang ketat pada setiap tingkatan produksi menjamin kualitas yang diharapkan pelanggan.

Producing quality packaging involved a detailed and complex process, it requires cooperation and coordination from all of our qualified staff, from discussing the inquiry.

At the beginning, the production planning and the various stages of production, we put great deal of effort to deliver higher than expected product quality and services.

All of our products pass the quality control checks before being released from the factory. This will guarantee the level of quality required by our customer's.
