

PT. TRIJAYA USAHA MANDIRI
Company Profile

2004

- PT. Trijaya Usaha Jaya Mandiri was established from earlier CV. Harapan Jaya
- Appointed by KBA Metronic - Germany as The Authorized Exclusive Distributor of Continuous Inkjet Printer for the territory of Indonesia
- Later founded PT. Hantech Jaya Mandiri on 2006

2010

- Appointed by MSSC LLC - USA as The Authorized Exclusive Distributor of MSSC LLC products for the territory of Indonesia
- Established branch offices in more than 10 cities across Indonesia

2014

Appointed by United Barcode System (UBS) - Spain and by WENGLOR - Germany as The Exclusive Distributor and as Certified Service Center for the territory of Indonesia

2017

- Appointed as The Exclusive Distributor for the territory of Indonesia for ALLTECH Germany & Savema Turkey,
- One of the biggest suppliers in marking & coding

2018

Released OEM & ODM brand of HANTECH.
Providing solutions ranges on Printing & CCP Solutions
(Metal Detector, Checkweigher, X-ray, Laserjet Printer, Inkjet Printer, Packaging Equipment)

ABOUT US

Head Office

Jl. Kelapa Gading Selatan Blok BJ 08 No. 16 - 19 Gading Serpong - Tangerang

Phone : (+62-21) 5476 999 (Hunting)

Fax : (+62-21) 5473 499

Email : trium@b1jetprint.com

Branch Office

Office, Workshop & Stockiest

- Tangerang (HO)
- Majalengka
- Bandung
- Purwakarta
- Medan
- Probolinggo
- Bogor
- Semarang
- Cikarang JB1
- Sukabumi

- Yogyakarta
- Banyuwangi

PEOPLE - PARTNERS

AS A PART OF AFTER SALES COMMITMENT

- ❖ Well trained, well-mannered & certified inhouse engineer over 85 person.
- ❖ 17 Branch all over Indonesia.
- ❖ 24/7 active support.
- ❖ Accessible Corporate Engineering-Partners.
- ❖ Scheduled Corporate Engineering-Partners, once in every periodics for improvement discuss & quality assurance.

CONTINUOUS INKJET PRINTER & LASERJET PRINTER

#Authentic

- Our devices are uniquely crafted & precisely engineered 100% in Germany
- Ranges on codeREVO, codeCUBE, codeCREATOR & CdeCENTER
HT-30CO, HT-F50, HT-UV Series

#Unique

Armed with latest technology in Coding-Marking

Industry :

- Automatic tuning parameters
- SRS Recovery System (Odourless Operation)
- Flipsystem Printhead
- Support Customization (Add-Ons Script)
- 4.0 Ready (option)
- High Speed printing capabilities up to 3500cps

COMPANY PROFILE

07/03/2023

THERMAL INKJET PRINTER (TIJ) & DROP ON DEMAND (DOD)

#Authentic

- Our devices are uniquely crafted & precisely engineered 100% by MSSC-USA
- Ranges on : smartJET-Pro high Resolution TIJ, QM7500, QM1610 Series

#Unique

Armed with latest technology in Coding-Marking

Industry :

- Automatic tuning parameters
- High Resolution Printing up to 600x600 DPI
- POD Printing from database
- 4.0 Ready
- Support for integration with PLC, Vision system
Checkweigher, etcs

PIEZO-JET PRINTER, UV PRINTER & AUTONOMOUS LABEL APPLICATOR

#Authentic

- Our devices are uniquely crafted & precisely engineered 100% by United Barcode System -SPAIN
- Ranges on : UBS MRXseries , APLseries , TJXseries.

#Unique

Armed with latest technology in Coding-Marking

Industry :

- High Resolution Printing up to 600x600 DPI
- Print&apply on any surface (porous / non porous)
- Ability to integrate with any ERP
- 4.0 Ready
- Ability to be customized according to every single unique production line.

THERMAL TRANSFER OVERPRINTER (TTO)

#Authentic

- Our devices are uniquely crafted & precisely engineered 100% by SAVEMA Europe
- Ranges on : SVM 32 to 107 series (Continuous, Intermittent & Traverse System)

#Unique

Armed with latest technology in coding&marking industry :

- Prints up to 600DPI Resolution
- Various model based on your manufacturing need
- Speed up to 500 prints/minute
- Patented longlife mechanical design
- Easy operation with SAYASIS-Windows (WYSIWYG)
- Control up to 8printer within single interfaces

COMPANY PROFILE

wenglor

the innovative family

VISUAL INSPECTION & SENSORIC

PROFI[®]
NET &
EtherNet/IP[™]
www.wenglor.com/weQube

#Authentic

- Our devices are uniquely crafted & precisely engineered 100% by WENGLOR Germany
- Ranges on : smartCamera, OCR Camera, 3D Visual Inspection.

#Unique

weQube Smart & OCR Camera by WENGLOR, provides multicore technology vision sensor

- up to 736 x 480 pixel [CMOS image sensors](#)
- 15 Hz frame rate,
- 12 LED lights, autofocus,
- 3D tracking,
- equipped with communication interfaces: Ethernet, PROFINET, RS-232 and FTP server.

CCP INSTRUMENT & SOLUTIONS.

#Authentic

- Our devices are uniquely crafted & precisely engineered 100% on Europe & Asia
- Ranges on : Metal Detector, Checkweigher, X-RAY, Color Sorter & Multisorting.

#Unique

Armed with latest technology in CCP instrumentation industry:

- DSP Based inspection metal detector
- High speed weighing, realize 100% online checkweigher and ready to be integrated with vision system & coding solutions
- X-RAY within less-amount should be conformed to the standard of FDA(USA) and CE(EU),and the amount is controlled below 1uSv/h(USA:5uSv/h,EU:1uSv/h).

TECH & SAFETY

- Safetyflip design

A safety-door like design with magnetic click ensure there's no charging on printhead when opens.

- Simple surfaces design

To ensure less usage of chemical when cleaning chemicals.

#LESS-SOLVENT

Wipes only, no need to burst flood the cleaning chemicals on printhead.

SAFETY

Solvent Recovery System

- Odorless when neither standby nor used. Made for mankind friendly operation.
 - Operate safely without harmful chemical exposure.
 - Supports up to ISO 14000 & ISO 22000***
