# About Our Company

Established in 2013, SCS Label, known as PT. Samara Cipta Solusindo, is a manufacturing company specializing in the printing of barcode labels, packaging labels, inner box packaging, corrugated boxes, plastic wrapping, and other packaging solutions.

We are a trusted partner in packaging solutions in Indonesia, committed to providing high-quality and innovative products backed by our extensive experience and expertise in the packaging and printing industry. Over the years, we have become the preferred choice for numerous businesses across Indonesia.

With a firm commitment to our business philosophy, where the customer is our top priority, we strive to deliver satisfaction and value to our clients. We aim to be recognized as a provider of printing goods and services that add significant value to our customers.

# Vision and Mission Company

## Vision

To aspire to be a pioneering and reliable supplier of label packaging solutions, striving to excel in service quality for customer satisfaction, and actively participating in advancements in packaging technology across various industries.

## Mission

We will enhance customer comfort and satisfaction and consistently deliver quality after-sales service.

The company was founded in 2013 with a mission to provide label barcode and packaging solutions that support digital transformation and business efficiency.

# Stretch Film/Wrapping

Plastic Stretch Film is a highly elastic plastic film used for wrapping and securing products during storage and transportation. This product is designed to ensure that goods remain safe and stable on pallets, reducing the risk of damage during transit and minimizing contamination from dust, moisture, and other external factors.
